

Iraqi Al-Amal Association, in solidarity with the children of Haiti

The people of Haiti suffered one of the largest humanitarian disaster in modern history, when the earthquake hit on January 13 last, followed by a sequel of earthquakes that killed more than (200000) two hundred thousand people dead and tens of thousands of injuries, the displacement of thousands of families, and the collapse of the country's infrastructure, resulting in The difficulty of delivering aid to the health and emergency food to survivors.

Reports and photographic films on the situation reflected the tragic situation of children of Haiti. Reports and photographic films on the situation reflected the tragic situation of children of Haiti, who lost their families, many of whom had a hand or a leg under the rubble, while destroyed buildings and schools lost teachers and will not open the doors of schools until the fall, as well as many churches are in ruins. Under these harsh conditions, manipulating and criminal acts of child trafficking gangs smuggling many children swarmed the country.

On the basis of its humanitarian mission, Iraqi Al-Amal Association started to make a donation for the children of Haiti a symbolic amount of two thousand dollars by the World Organization (International Board on Books for Young People-IBBY-), based in Switzerland, which represents a network of people around the world who are committed to bringing books and children together.

Solidarity with Haiti's children is a task for all good people to provide material assistance necessary for the continuation of their lives, as well as psychological treatment to alleviate the terrible shock, and to restore normal life in their country.
